### **Gratitude**

"Gratitude unlocks the fullness of life.  
It turns what we have into enough, and more.  
It turns denial into acceptance, chaos to order,  
confusion to clarity.  
It can turn a meal into a feast, a house into a home,  
a stranger into a friend.  
Gratitude makes sense of our past, brings peace for  
today and creates a vision for tomorrow."

**Melody Beattie**

**Program: Ginny Coombs**

#### **Rambling in the Peaks District and Hiking with Swiss friends, Manchester, England**

Ginny is an accomplished photographer and you are in for some great photos and stories. Be sure to join us.

**Mask not required!!!! WHAT!!!**

Yes, you can enjoy our Zoom meetings without your mask and get a chance to visit with other members and catch up a little and enjoy a wonderful program. This all from the safety of your own home. This is one of the safest things we can do during this time of unprecedented rise in the number of covid-19 cases in Utah.

Zoom link will be sent closer to the 17th. The link will be open at 6:30 for getting setup and more visiting if you are interested or unsure about getting into the Zoom meeting. Please call 801-424-2850 for assistance. The official meeting will start promptly at 7:00 PM.

We can still come together in this way and be safe. Hope to see you via Zoom!

Below are recordings of previous programs if you missed them. Click link below to view the program on **Australia and New Zealand** that Marv and Jeanne did in June.

Six of us enjoyed our walk through Red Butte Garden.

## PRESIDENT'S MESSAGE

**For now, we are all in the same boat but we are more or less “cast adrift”!**

Fall is here and Winter is coming...and outdoor events for our club are not looking promising. Group gatherings are discouraged, if not mandated, and meeting indoors would be too risky. Our club must go on, but for now, we will need to take a Hiatus. We want to keep in touch while looking forward to domestic visits from other clubs in the future, and travels with our friends at least domestically. Staying safe from this deadly and global virus means that newsletters, phone calls, book suggestions and film suggestions are about all we can propose at this time. Through Zoom, we will continue to reach out and share, and even hold our meetings virtually. (Thanks to Margret and Marvin!)

However, in this edition, you will find news about some of our former members, changes to some folks' addresses, the answers to the crossword puzzle, and some reports from the summer picnic and the coffee klatches.

During this time of restricted movement, we can only hope for some activities in 2021, but must face the fact that our standards of safety may not allow us to host or travel, even domestically. Zoom meetings, for now, will be crucial, and at some point, I hope we can meet in the dining area of the City-County Building which would allow for social distancing. But due to the expanding number of cases of the coronavirus in Utah, our Board has decided that for the year 2021 we will not be charging the usual membership fee. Friendship Force International requires a fifteen dollar charge for each member; our club will only ask for five dollars in addition. This means that we will be asking each of you to contribute a total of twenty dollars for membership in 2021.

Soon we will be asked where we want to travel to in 2022. If you are interested in helping choose our destinations and plan to travel again when it is safe, please let me know.

This Holiday season we are asking each of you to send good wishes to one other member of Friendship Force by mailing a holiday card in December. That member's name and address is attached to your newsletter. We hope this will brighten our holiday season as we refrain from the usual festivities. As a nod to the difficulties experienced by all our small business owners, we are suggesting that you enclose a small gift certificate from one of those struggling locally-owned businesses. We all need social connections, and a dose of Christmas spirit, and this way we can be helping others at the same time!

**Giving Tuesday** is December 1st this year. If you decide to give a donation to a needy organization that does good in the world, consider a donation to [Friendship Force International](#).

**Don't Forget, We are all in this TOGETHER...and TOGETHER we can be a Force for Friendship**

### Member of the Month: Dana Hughes

Our wonderful newsletter is faithfully executed each time by Dana. Without her expertise and patience, we would be lost! Dana has been a member for a long time and went with us to South Africa and Canada years ago. Always available for Board meetings, her perspective has been invaluable.

## Member News

We are sad to hear that **Jan Banta**, a long-time member has died. Jan was a real support to Roger Banta when he was president and after Roger died, she went on to serve as Exchange Director for Madison, WI. Jan and Roger went on many exchanges and hosted even more times and they had return visits from several of their guests who became good friends.

Longtime dedicated Friendship Force members **Polly and Ron Toth** had just downsized to a care facility in Holladay when Polly passed away earlier this month. Polly had a career in teaching with the Department of Defense and lived overseas in several places. She and Ron loved to host for our club and travelled with other clubs too. We will miss her. Please send cards to Ron and remind him of any memories you have of Polly. His cell number is 801 541 0835. Ron's address is:

## Summer Picnic

The picnic in the park in September was a great success with more in attendance than expected. Everyone brought their own food or food from fast food stores. Social distances were necessary and we occupied the shelter at the Canyon View Park. One hundred pounds of food was donated to the Utah food Bank and more financial donations were mailed in.

*Carol Milliken*

## Peace Garden Walk

Orion and Jennifer joined hosts, Anne and Hank for a late afternoon walk. It was a lovely day and the flowers were well tended.

*Jennifer*

## Coffee Klatches

Coffee Klatches were a fun way to get together and still social distance. About 8-10 members were at each event. I tried to move them to parks around the city and on different days, always being sure there was plenty of parking and shade. Although the October Klatch needed sunshine! We may try another in November if the weather cooperates. Watch your emails for an announcement. Otherwise see
